EPK - Nandi Hills

1. Current Significant Issues

There has been delays with supply of fertilizer from Tea board of Kenya. Farmers are growing impatient since time is lapsing for them to apply fertilizer on their farms. Options to address this are being discussed and a way forward will be provided soon.

2. Update on Corporate Social Responsibility Plan Implementation

Progress on implementation of CSR activities is good with co-ordination and support from the CSR committee. The table below summarises projects approved and implemented during the first quarter, 2024:
